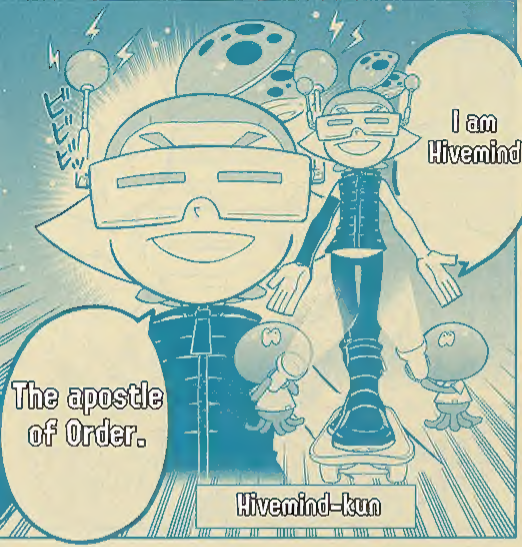
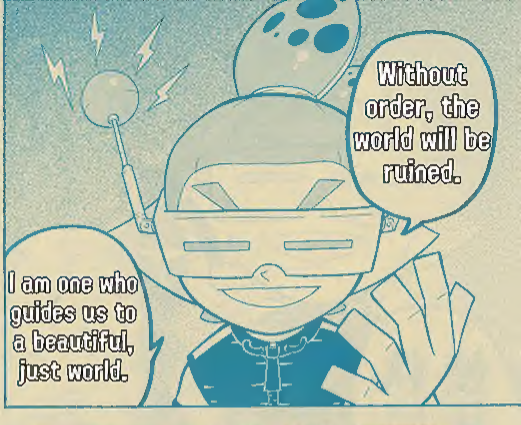
Order is...
A safe world with just rules!
It's important to treasure the here and now!
Chaos is...
Things can't stay as they are now!
Always seeking a new world, and rush the old one!
It's the Final Fest!
The losers will accept the world of the winners!
In the end, this splatfest will change the world!
the time has come to decide which one this world will become.
Yes,



I am Hivemind
The apostle of Order.
Hivemind-kun

He's my childhood friend.
What's all this about Order?

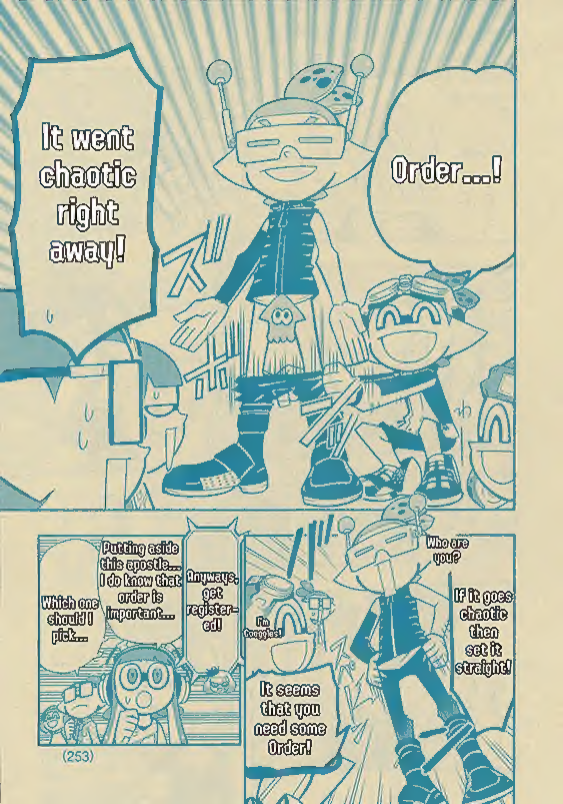
You know him?
Hivemind...
Antennas so cool!
How rude.
A weirdo showed up on a skateboard!



Without order, the world will be ruined.
I am one who guides us to a beautiful, just world.

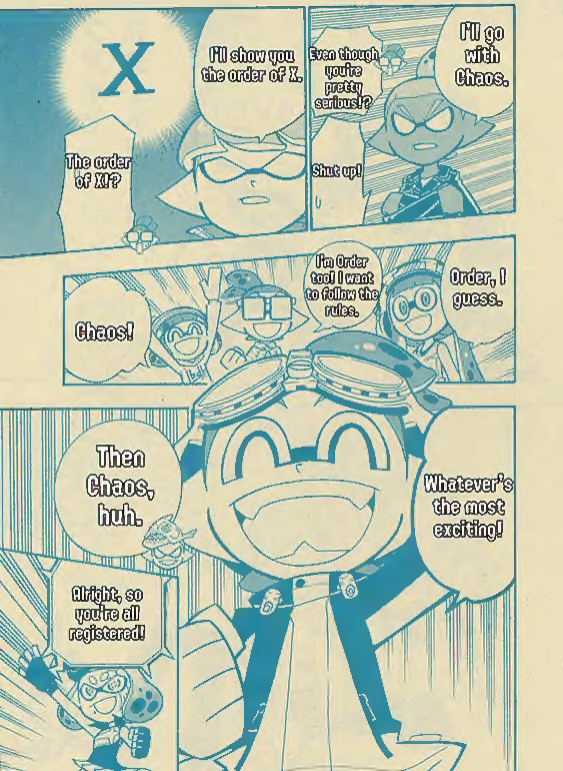
I was confused because the order was disturbed!
It can't be helped...
What's he talking about? He's a guy who started crying when he dropped his lunch.

Hmph. Then I shall teach you about Order.
I'm going with Chaos.
That confusion is interesting, ain't it.

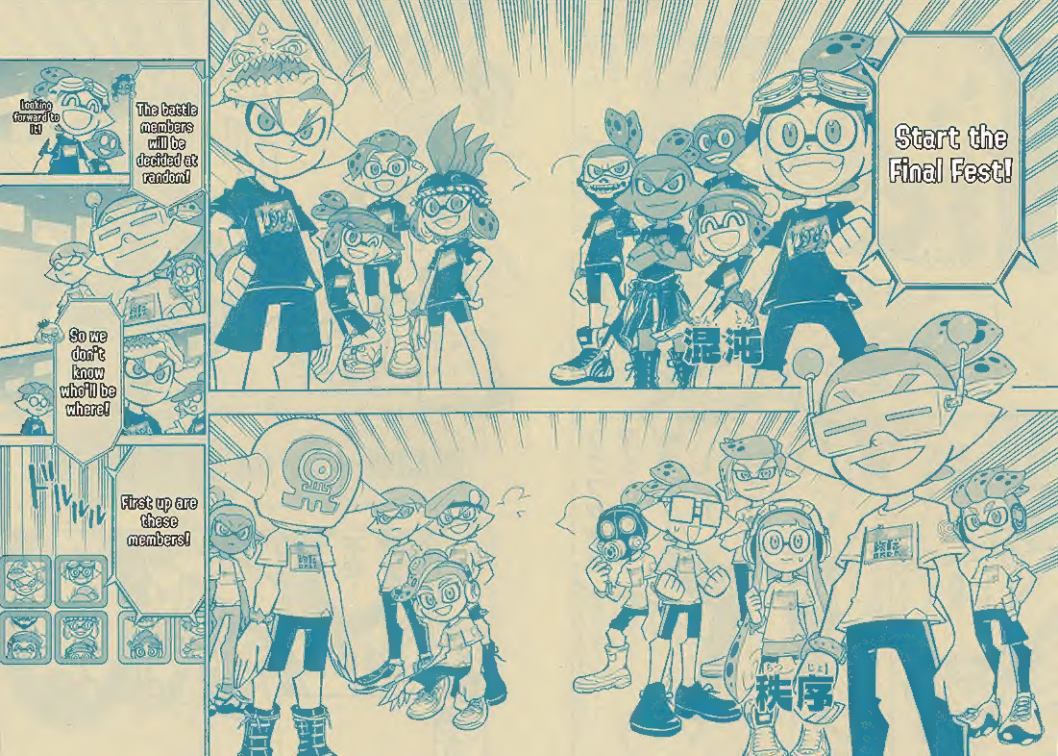


It went chaotic right away!
Order...!
Which one should I pick...
Putting aside this apostle... I do know that order is important...
Anyways, get registered!
It seems that you need some Order!
I'm Seraphias!
Who are you?
If it goes chaotic then set it straight!

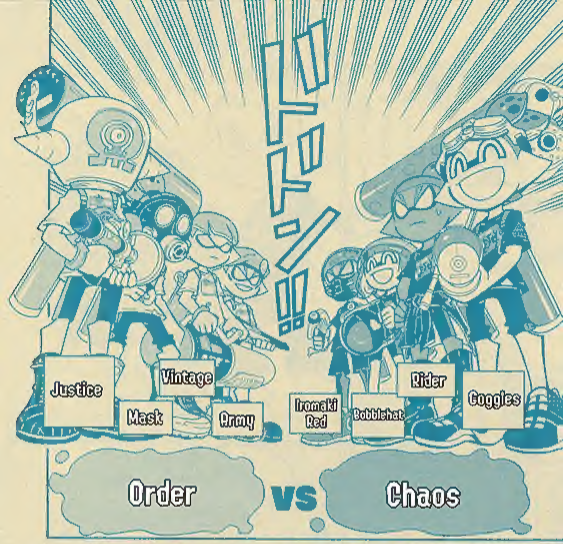
I guess I'm Order.
I like precision.
I'm Chaos
Since it seems free.
It's the king's duty to preserve order.
王!
It's burning!
You're getting lost at this short distance!? He really is chaos.
This way is chaos!
I'm chaos.
I'm order, too.
Since I like making concrete of things.
What does that have anything to do with it?
I'm cool, so I guess I'll go with Order.



X
I'll show you the order of X.
The order of X!?
I'll go with Chaos.
Even though you're pretty serious!?
Shut up!
Order, I guess.
I'm Order too! I want to follow the rules.
Chaos!
Whatever's the most exciting!
Then Chaos, huh.
Alright, so you're all registered!

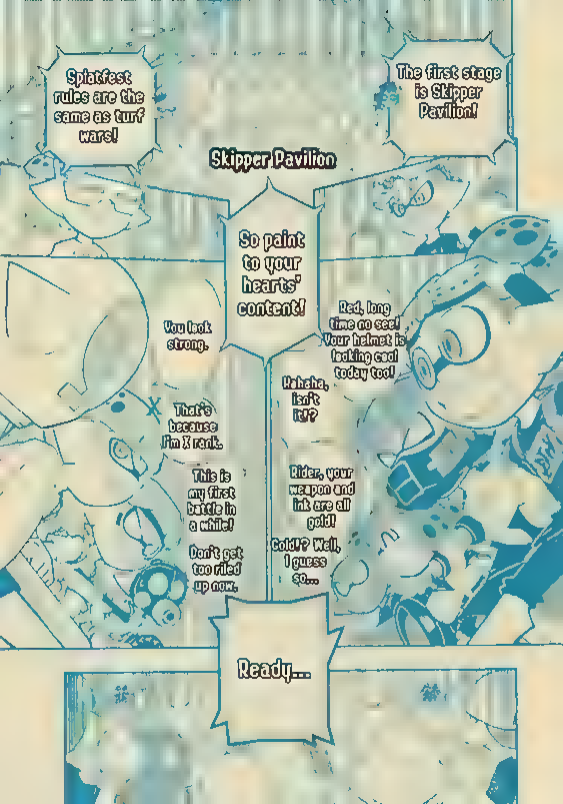


looking forward to it!
The battle members will be decided at random!
So we don't know who'll be where!
First up are these members!
Start the Final Fest!
混沌
秩序



ドドドン!!
Justice
Mask
Vintage
Army
Ironaki Red
Bubbleshot
Rider
Goggles
Order
vs
Chaos

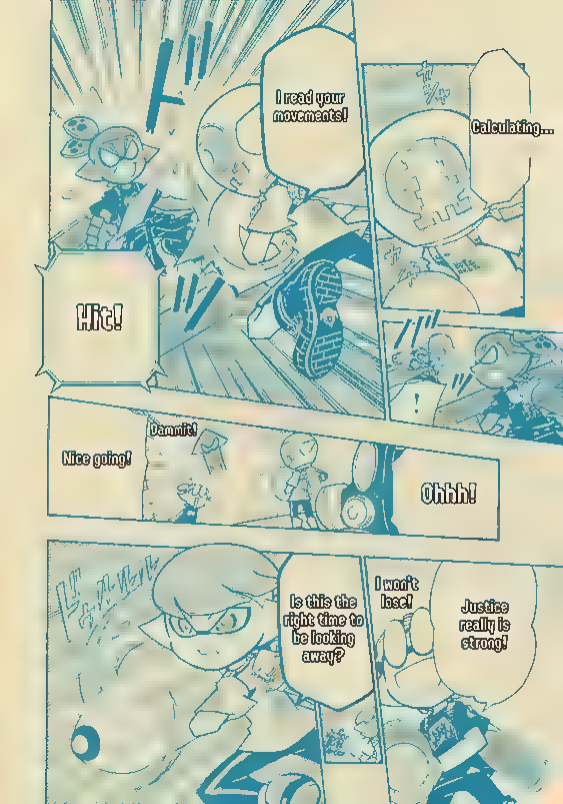
Alright, let's go!
Uneasy...
This seems kinda bad!
Those are some amazing team members...!



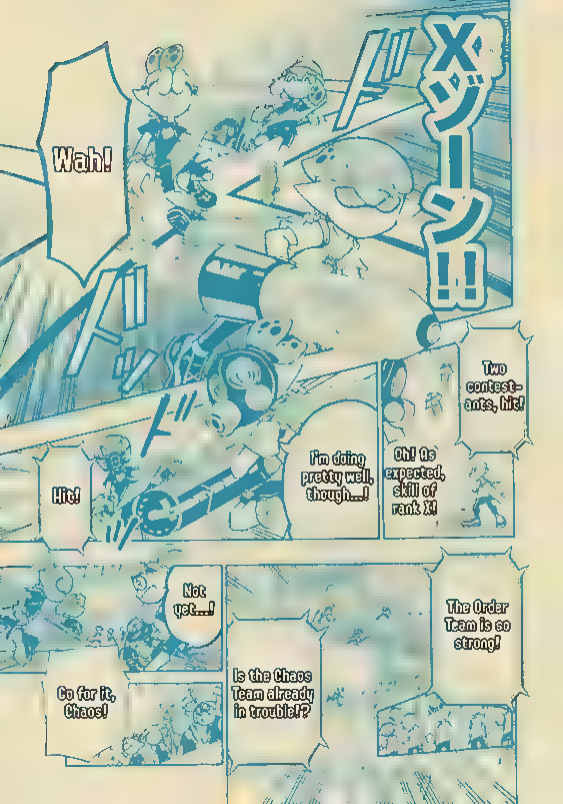
Splatfest rules are the same as turf wars!
The first stage is Skipper Pavilion!
Skipper Pavilion
So paint to your hearts' content!
You look strong.
That's because I'm X rank.
This is my first battle in a while!
Don't get too riled up now.
Red, long time no see! Your helmet is looking cool today too!
Hahaha, isn't it!?
Rider, your weapon and ink are all gold!
Gold? Well, I guess so...
Ready...

Go!

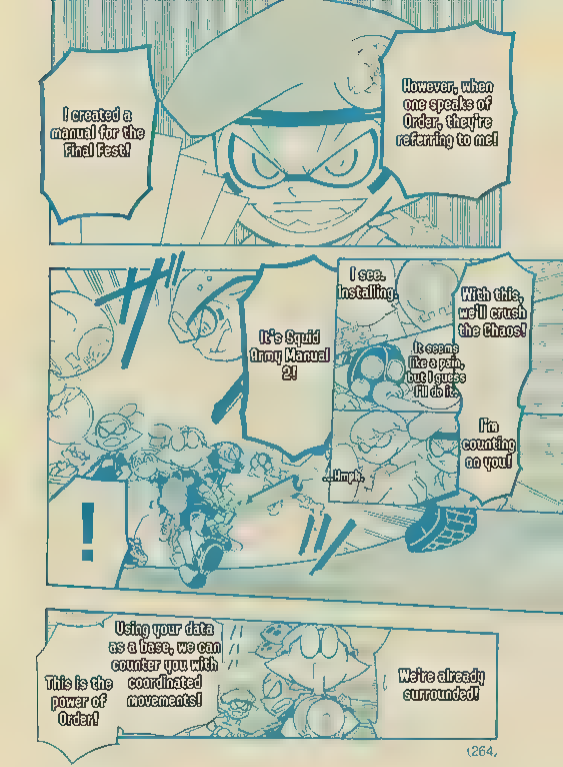
Anyways, I'm gonna keep on painting!
It's a wide stage.
A simultaneous start!
PAINT!
Fireworks!
It's a festival!
Whoa, It's decorated for the splatfest!
Yay!
Yah!
And I don't even know who one of them is...
!
But we've got some quirky characters over here too.
They've already fallen into chaos!?
Looks like Rider's having a rough time....



I read your movements!
Calculating...
Hit!
!
Nice going!
Dammit!
Ohhh!
Is this the right time to be looking away?
I won't lose!
Justice really is strong!



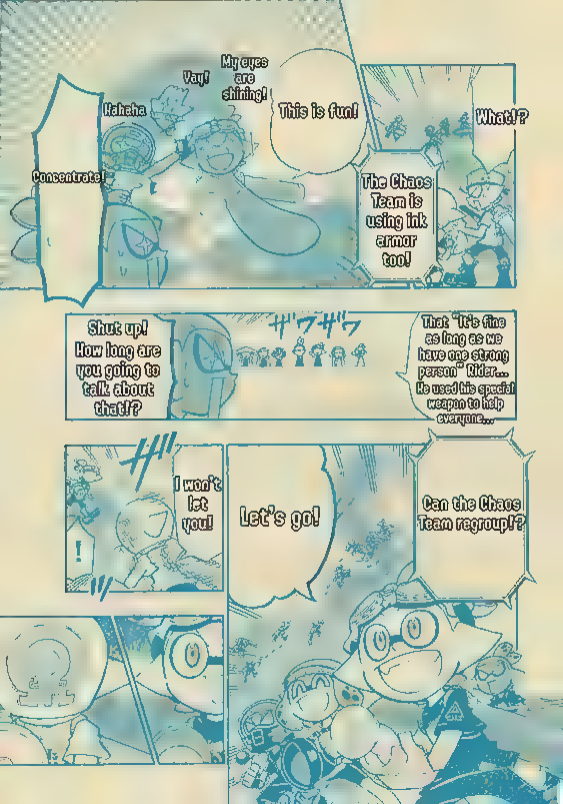
Xッーン!!
Wah!
Two contest-ants, hic!
Oh! As expected, skill of rank X!
I'm doing pretty well, though...!
Hic!
Not yet...!
Go for it, Chaos!
Is the Chaos Team already in trouble!?
The Order Team is so strong!



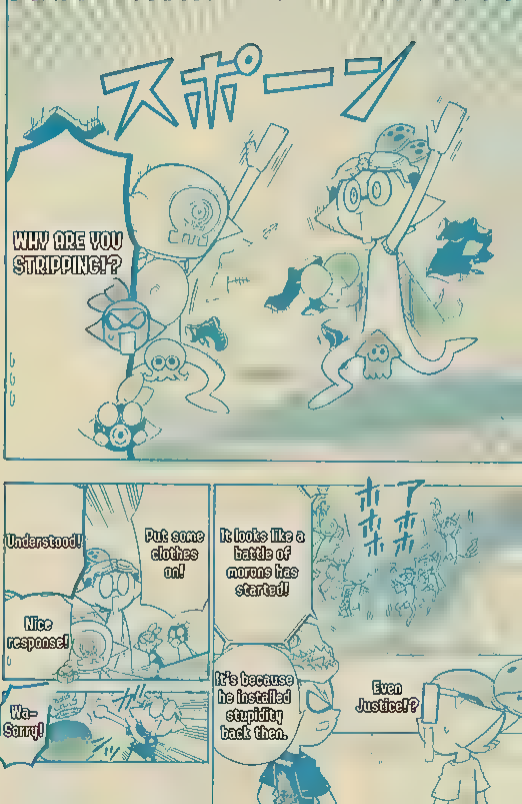
I created a manual for the Final Fest!
However, when one speaks of Order, they're referring to me!
It's Squid Army Manual 2!
I see. Installing.
With this, we'll crush the Chaos!
It seems like a pain, but I guess I'll do it.
I'm counting on you!
...Hmph.
!
This is the power of Order!
Using your data as a base, we can counter you with coordinated movements!
We're already surrounded!

スペシャルウェポン
インクアーマー!!
And...
With this, the manual is complete!
They bounced back!
It's all over their bodies!
It's an special weapon that'll prevent your attacks for a short while!
Wait!
The Chaos Team is in a pinch!

This is the Order Manual!!
Ohh! It is posing tool?
Not really.
How do you like that!
イリーシュ!!
スペシャルウエポン
Tch!
We... we're done for!
Uraaah!
インクアーマー!!

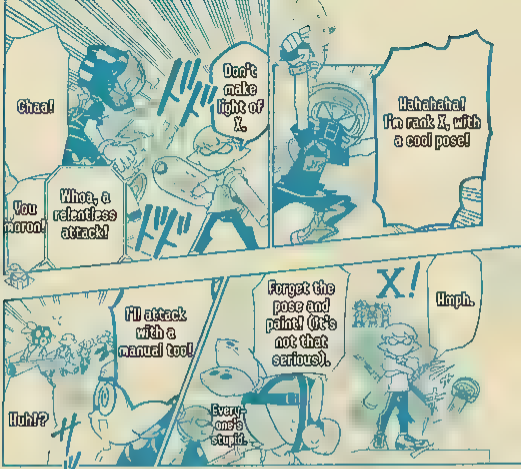


Concentrate!
Hahaha
Yay!
My eyes are shining!
This is fun!
What!?
The Chaos Team is using ink armor too!
Shut up! How long are you going to talk about that!?
ザワザワ
That "It's fine as long as we have one strong person" Rider... He used his special weapon to help everyone...
I won't let you!
!
Let's go!
Can the Chaos Team regroup!?

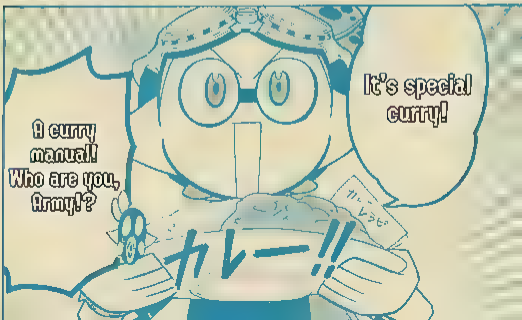


スポーン
WHY ARE YOU STRIPPING!?
Understood!
Put some clothes on!
Nice response!
Wa-Sorry!
It looks like a battle of morons has started!
アホ
ホホ
It's because he installed stupidity back then.
Even Justice!?

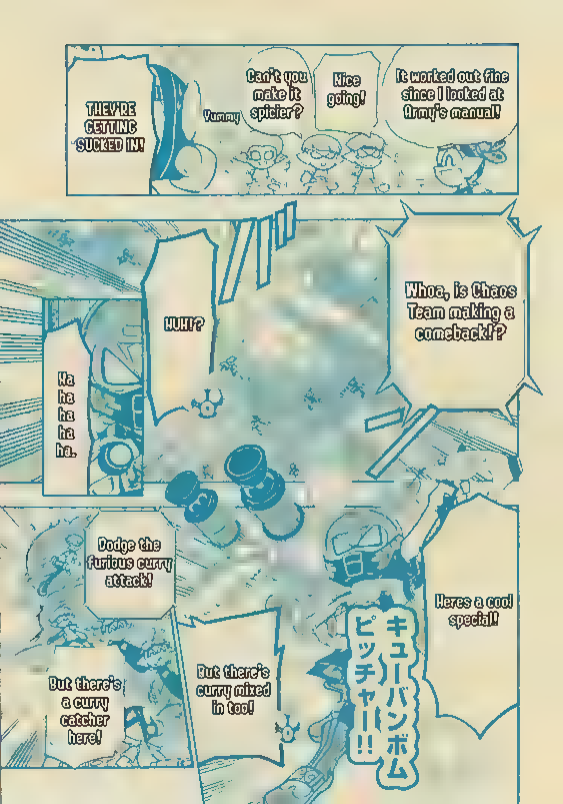
スポッ
It got stuck on Bobblehat!
?
Umm...
Waa! Justice, are you okay?
Wee
And then she ran off!
Thanks.
At least take this!
Hand-made
Horns!?
How unexpected!?
アイロー!!
It's kind of difficult to calculate, I guess.
Cool!



Don't make light of X.
Chaa!
You moron!
What, a relentless attack!
Hahahaha! I'm rank X with a cool pose!
Forget the pose and paint! (It's not that serious!).
I'll attack with a manual too!
Huh!?
Every-one's stupid.
X!
Hmph.



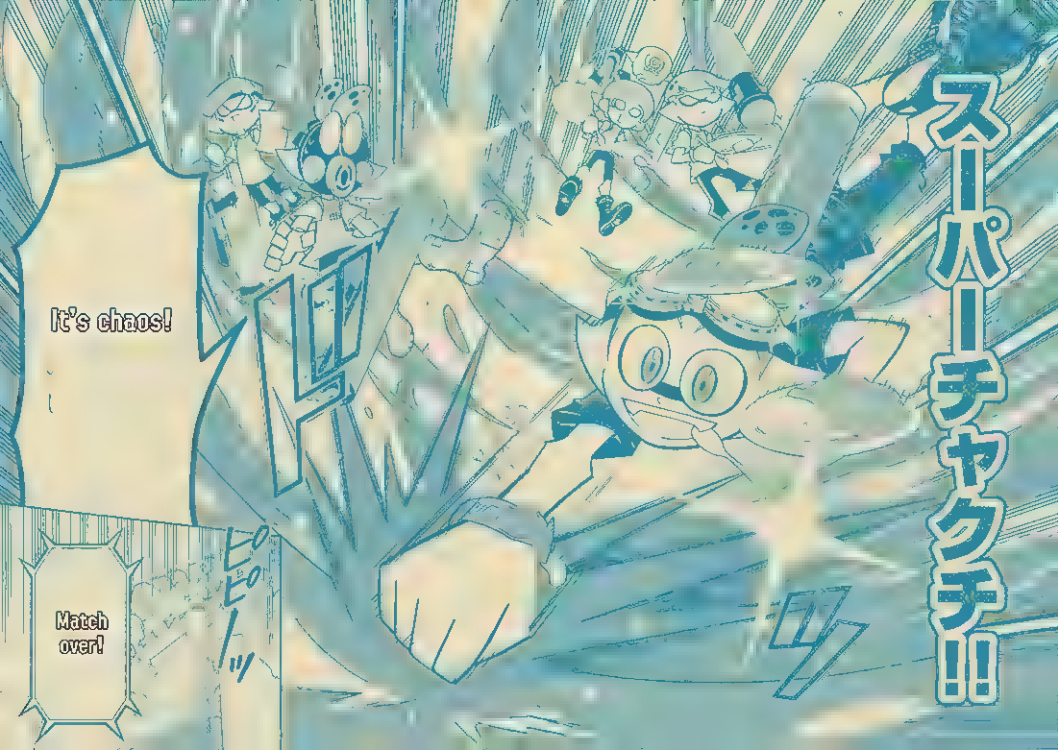
It's special curry!
A curry manual! Who are you, Army!?
カレー!!



THEY'RE GETTING SUCKED IN!
Yummy
Can't you make it spicier?
Nice going!
It worked out fine since I looked at Army's manual!
Whoa, is Chaos Team making a comeback!?
HUH!?
Wa ha ha ha ha.
Dodge the furious curry attack!
But there's a curry catcher here!
But there's curry mixed in too!
キューバンボムピッチャー!!
Heres a cool special!

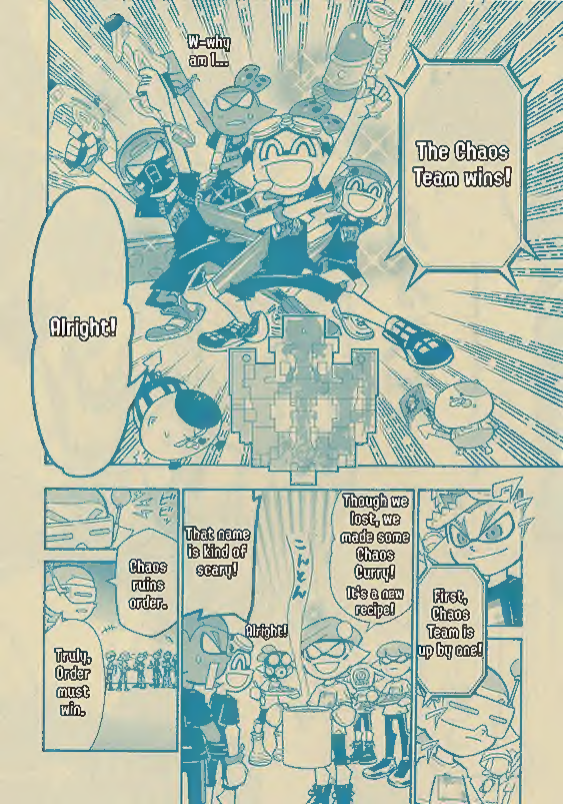
マルチミサイル!!
Seconds!
Even more is coming! With curry!
What's with this situation!
Ohhh! The sense of chaos is apparent!
I won't lose!
I can't take a world like this!

インクアーマー!!
スペシャルウエポン
Goggles!
Go!
!
Nooo!
Nice!

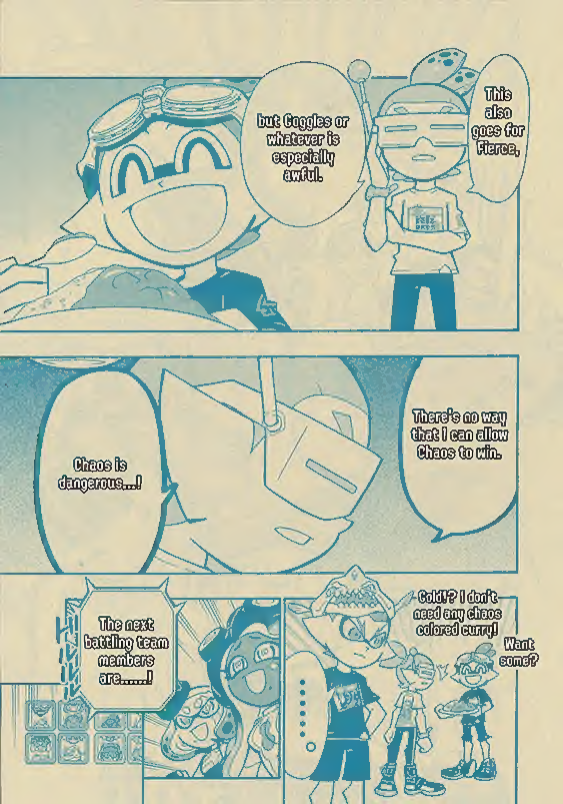


スーパーチャクチ!!
It's chaos!
ピピーッ
Match over!

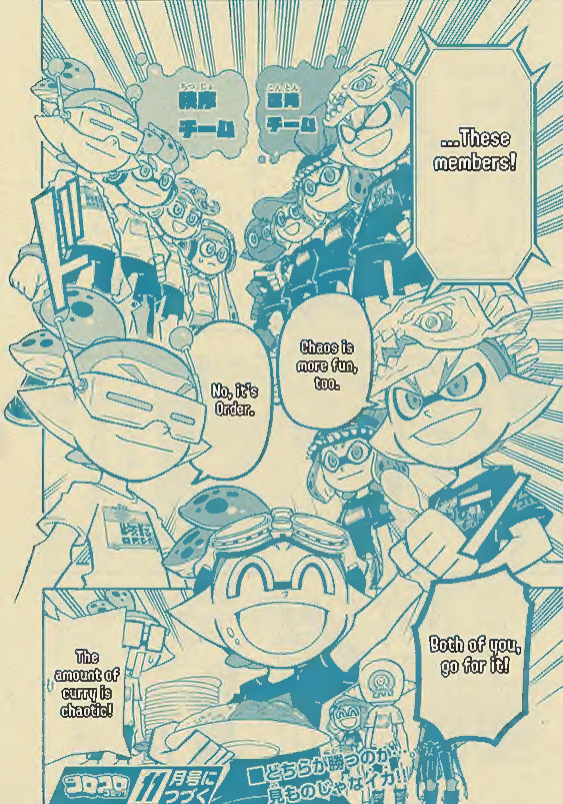
It's chaos!
Match over!



W-why am I...
The Chaos Team wins!
Alright!
Chaos ruins order.
Truly, Order must win.
That name is kind of scary!
Alright!
Though we lost, we made some Chaos Curry!
It's a new recipe!
First, Chaos Team is up by one!



but Goggles or whatever is especially awful.
This also goes for Fierce.
There's no way that I can allow Chaos to win.
Chaos is dangerous...!
The next battling team members are.....!
Gah!? I don't need any chaos colored curry!
Want some?



秩序チーム
混沌チーム
...These members!
Chaos is more fun, too.
No, it's Order.
The amount of curry is chaotic!
Both of you, go for it!
